

versatile

your guests
deserve the
gold standard

Real dairy delivers the flavor and authenticity your guests crave. Get the perfect melt from Land O Lakes® Performance Dairy cheeses, and count on our sauces to hold back-of-house and at the table. Unmatched reliability, combined with easy customizability and superior flavor, Land O Lakes® Performance Dairy can help you increase speed – and win. The Land O Lakes® Performance Dairy product portfolio will give you the versatility you need from batch to batch and operation to operation.

FOODSERVICE

Consistent performance, unmatched versatility

Bring more to your operation. Delivering great results even under the most demanding conditions, Land O Lakes® Performance Dairy products enable you to incorporate real dairy easily and consistently across your menu. That means better quality for your guests, and greater peace of mind for you.

Performance Sauces

Dairy and cheese sauces you can rely on.

Bring new efficiency to your operation – and great taste to your menu – with unbreakable* dairy sauces and convenient cheese sauces that hold over multiple heat/chill cycles. Performance Dairy sauces are also easy to customize for a wide range of signature dishes.

Performance Cheese

Providing the perfect melt, every time.

Bringing a rich, cheesy flavor to a wide range of dishes, these real dairy cheeses melt beautifully, hold perfectly at the table, and perform consistently throughout the day. Extra Melt® Cheese is also available in a convenient shredded form.
