

the extra benefits of Extra Melt® Cheese.

You want to use premium cheese in your recipes because you know patrons can taste the difference. But you also need to consider how it affects your operations.

Land O Lakes® Extra Melt® Cheese products provide the answer. Available in a variety of versatile formats, they provide the superior meltability, consistency and taste you need. Whether it's loaves that easily shred, slice or cube, a sauce product with superior hot hold, or a pre-shredded product to simplify your operations, you'll get great flavor and exceptionally even melts. Easily used in many recipes, they're the perfect way to incorporate quality into a wide variety of menu items.

FOODSERVICE

Simple goodness, made simple.
